## **SITUATION SUMMARY**

### **Mission Rock Fire, Santa Paula, Ventura County**

- On 11/18/14 at 0345 hours, there was a release of approximately 1,000 gallons of an unknown oxidizer from a facility in the unincorporated area of Santa Paula in Ventura County.
- 37 persons have been treated with all but the truck driver released.
- De Con Unit released with the Hospital providing any further De Con if needed.
- Ventura County Environmental Services will contract with Patriot Environmental for the Haz Mat cleanup.
- The LA County Task Force that set up and operated the Decontamination facility at the hospital has been released.
- The Hazardous Material team is still in the process of identifying the best method for mitigation of the crystals in the clean-up process.

### **Evacuations**

- Per the Ventura County EOC - The mandatory evacuation order reduced to a 1/2-mile radius around the incident site. [There is no estimated time of when the order will be lifted.](#)

### **Road Closures:**

- Mission Rock Road is closed to all traffic until further notice

### **Cal OES Deployments**

- As of 1700 hours on 11/20 Cal OES Representative LaDuke departed the Ventura County EOC

### **Activations:**

- Ventura County EOC remains activated at duty officer status.
- The Southern REOC remains activated at Level 1

There is no request for assistance or unmet needs.

**Active Weather Warnings, Watches and Advisories:** [http://www.wrh.noaa.gov/sto/brief/wwwa\\_bc\\_cal.php](http://www.wrh.noaa.gov/sto/brief/wwwa_bc_cal.php)

## **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought
- Yuba County Drought Proclamation Continuance received.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

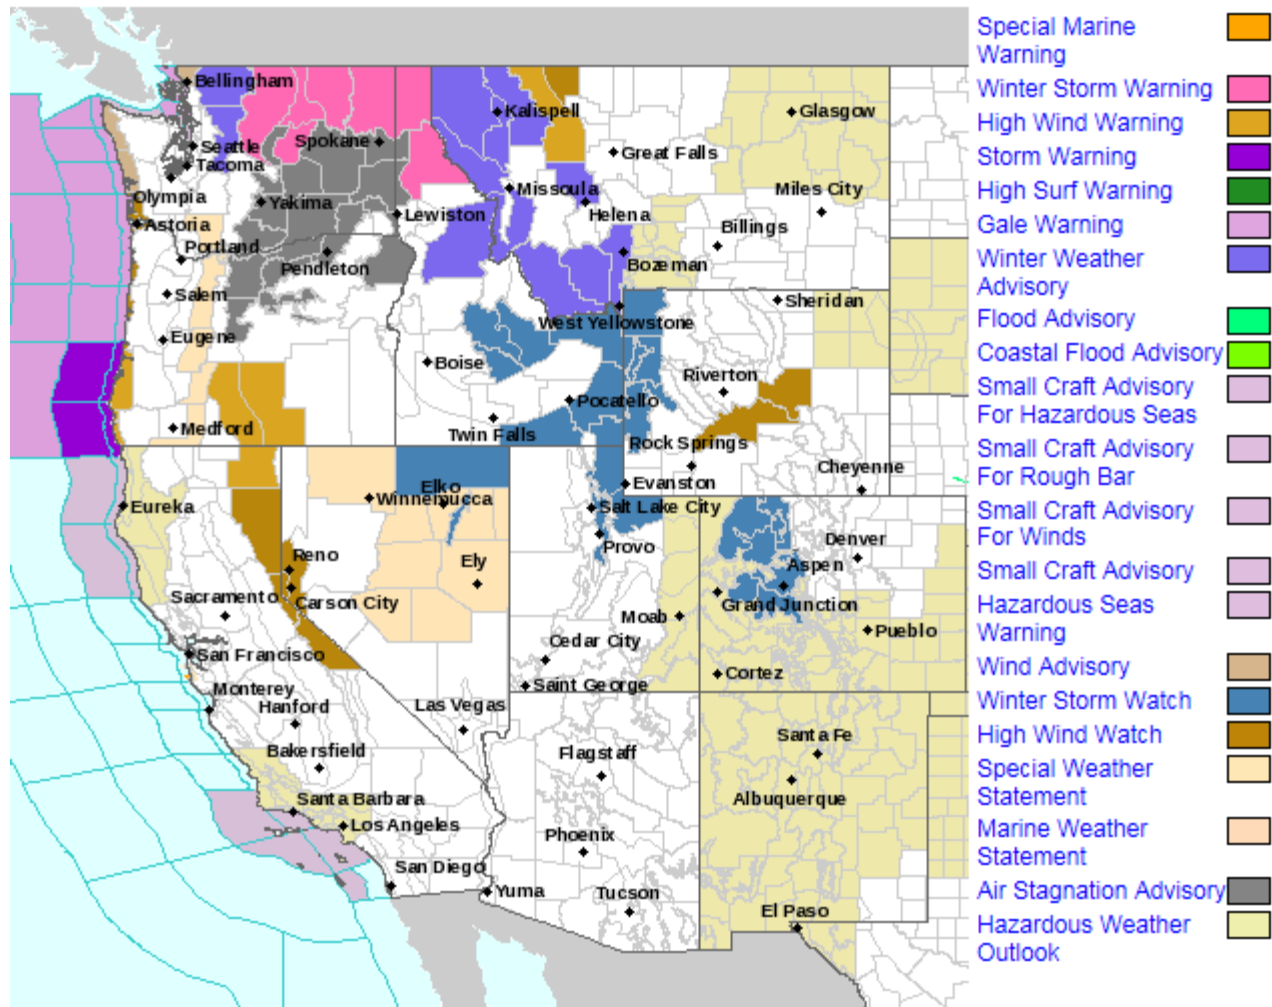

### **NORTHERN CALIFORNIA:**

Round two of wet weather arrives by this afternoon followed by round three arriving on Friday evening and continuing through most of Saturday. Expect today's weather system to be light to moderate in precipitation. However, the Saturday system will be wetter with periods of moderate to heavy rain and mountain snow late Friday and Saturday. Drier, northerly/offshore wind follows Sunday and Monday.

### **SOUTHERN CALIFORNIA:**

A Pacific trough will bring scattered showers with less than a tenth of an inch of rainfall to most of the region this afternoon through Friday morning. However, a quarter inch to a half inch of rainfall may occur over the Central Sierra and its associated foothills. The snow level will be around 6,000 feet over the Sierra and around 7,000 feet over the mountains of Southern California. Another Pacific trough will bring scattered showers with less than a quarter inch of rainfall to Central California Saturday. Westerly winds of 15 to 25 mph with gusts to 40 mph will surface across the desert passes this afternoon through tonight. Winds will become light region wide in between troughs on Friday. There will be westerly winds of 20 to 30 mph with gusts to 50 mph across the mountain ridges and desert passes Saturday afternoon into the evening hours. Temperatures will be near to a little below normal through Saturday, with upper 40s and 50 in the mountains and 60s to low 70s in the valleys. On the back side of the second trough, northerly winds of 20 to 40 mph with gusts to 60 mph will surface across the south coast of Santa Barbara and over the Grapevine Saturday night into Sunday morning. Temperatures will gradually warm and humidity will become low across most of the region Sunday through early next week as a ridge of high pressure builds into California from the Pacific Ocean. North to east winds of 10 to 20 mph with gusts to 35 mph will surface across the mountains and below the canyons and passes of Southern California Sunday morning through early next week.

# RECOVERY ACTIVITIES

## Boles Incident Vegetation Fire- City of Weed, Siskiyou County

### Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program. The VAL is working with nonprofit organizations on seeking reimbursement.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The VAL participated in a meeting with the CA Human Development agency and the Great Northern Services to discuss potential use of drought funding to assist fire survivors with rental and utility payments. Great Northern Services will work with the VAL to identify the need for assistance. If funding is approved, payments will be made directly to the landlord and or utility company. The rental and utility needs of residents affected by the Happy Camp fire will also be captured.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- The hazardous tree removal and erosion control processes have begun on properties where a Disposition of Tree Agreement (DTA) has been executed. Work is expected to be completed by 12/31/14.
- Debris removal for all participating properties is complete. Several properties tested higher than allowable for metals. Cal Recycle plans to perform additional scraping of these lots.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

# RECOVERY ACTIVITIES

## Boles Incident Vegetation Fire- City of Weed, Siskiyou County

### **Cal Recycle reports:**

Debris removal is completed on all 134 and 134 sites have met the cleanup goals for the project. The professional tree faller continues to remove large trees that are determined to be a hazard. The majority of the project is estimated to be completed by November 26, 2014, with a small crew returning on the first week of December to finish remaining tasks. A total of 29,651.21 tons of debris was removed (484.82 tons of metal delivered for recycling; 8,210.82 tons of concrete delivered for recycling; and 20,955.57 tons of debris, ash and soil delivered for disposal).

To date:

- 134 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 11 Sites denied entry.
- 134 Sites documented.
- 134 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 134 Debris removal completed.
- 134 Sites sampled.
- 126 Sample results approved.
- 122 Sites with erosion control completed.
- 122 Sites approved by City of Weed as ready for a building permit.

### **Cal OES Deployments**

- One (1) Cal OES Recovery staff is assigned.

# **RECOVERY ACTIVITIES**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County**

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

## **Recovery Activities**

- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Sixty-one (61) RPAs have been received and nine (9) have withdrawn for a total of fifty-two (52) RPAs submitted to FEMA. Thirty-seven (37) Kickoff Meetings have been completed and five (5) kick-off meetings have been scheduled for this week and next week. There are six (6) kickoff meetings yet to be scheduled for PNPs that have now been approved. It is currently scheduled that all kickoff meetings will be complete by 11/21/2014.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations. A representative from the Solano Community Action Partnership will contact individuals who visited the Solano Information Center to notify them of the opening of the Disaster Recovery Center (DRC).
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On October 29, 2014, FEMA and SBA provided representatives in the Napa LAC. On October 30, 2014, the Disaster Recovery Center in the City of Vallejo opened. The LAC and DRC are open until further notice. The operational hours for both centers are Monday – Friday 9 AM to 6 PM; Saturdays 9 AM to 4 PM; Sundays closed; In addition, both centers will be closed on November 27, 2014, and November 28, 2014, in observation of Thanksgiving.
- The California Small Business Development Centers (SBDCs) have partnered with SBA and are providing services at no charge to assist small businesses impacted by the disaster with financial counseling, management and technical assistance, business planning, reconstructing damaged or destroyed business records, rewriting business plans, etc.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

- The SOC, Inland, Coastal, Southern REOCs and the Santa Barbara County EOC are activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.

# Exercises

## Statewide Medical Health Exercise, Costal Region 11/17/14-11/20/14

- The California Department of Public Health (CDPH) exercise is a response to an aerosolized anthrax attack identified as a BioWatch Actionable Result (BAR). The local health departments initiated their BioWatch protocols on Monday, November 17th and exercised their decision making matrices on the BioWatch regional call, which lead to the BioWatch National Conference Call on the same day. Medical Countermeasures (MCM) were requested from the Strategic National Stockpile (SNS) through the appropriate channels in Health and Human Services. On the subsequent days, CDPH will stand up it's warehouse and will simulate activation of the Medical Health Coordination Center (MHCC) using a small number of representatives at an offsite location. The exercise is a functional exercise; however real-time MCM distribution will not be tested.
- Each of the Bay Area cities and counties that are participating (Alameda, Contra Costa, Marin, Monterey, San Benito, San Francisco, Santa Clara, Santa Cruz, Solano, and Sonoma Counties and the cities of Berkeley and San Francisco) have varied levels of participation regarding activating their Emergency Operations Centers, Department Operations Centers, and Points of Distribution. Further each operational area has a varied level SNS drill testing and local hospital involvement.
- The main purpose of this exercise is to test the MCM distribution capabilities in response to an anthrax attack. Each jurisdiction will be evaluating their own distribution capabilities.

# CAL OES MISSIONS

## New Cal OES Missions

- **2014-LAW-7512**, Yolo County Fire Department is requesting a Drowning Accident Rescue Team (DART) for a vehicle in the Sacramento River at the Tower Bridge, West Sacramento. Sacramento County Sheriffs Department is responding with their DART team. [The DART Team recovered a body.](#) **Mission Closed**

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
